

# Great Plains Young Professionals Summit

great plains YP  
summit  
transform tomorrow

*The 4th Annual Great Plains Young Professionals Summit is a conference geared toward the professional development needs of young people ages 21 and up.*

## *How will your company benefit from employee attendance?*

- Increase workplace productivity through motivated employees.
- Develop the professional skill sets of your future company leaders.
- Cultivate opportunities for your employees to get more involved in the community.
- Diversify your company's network.
- Have focused employees with defined career goals.

In just 2.5 days, your employees will increase their professional value, rejuvenate their personal and professional career focus and expand their network of colleagues regionally.

*The Great Plains YP Summit-  
helping young professionals Transform  
Tomorrow by thriving civically, personally,  
and professionally.*
